

# Flat Rooflight Technical Specification

- Slim 58mm Thermally Broken Frame.
- Flush Design.
- Structurally Bonded Double Glazed Units.
- Available in 213 colours from the RAL K7 colour chart.
- Clear Active Self Cleaning Glass.

- Designed to fit onto an existing timber frame.
- Approximately 10 Day lead time for RAL 7016, 9910 and 9005.
- Appears frameless from the inside, letting in more light and giving a more open roof appearance from the interior of your home.
